

Endowment

The Library has established an Endowment Fund with the Connecticut Community Foundation. This offers another vehicle for giving, especially for those who choose to manage their philanthropy through the Foundation.

The Connecticut Community Foundation (formerly, The Waterbury Foundation) was established in 1923, with a mission to improve the quality of life in the Central Naugatuck Valley and Litchfield Hills through grants, scholarships and organizational support. The Foundation is also committed to helping donors realize their charitable objectives through informed philanthropy.

To **donate by mail**, make checks payable to Connecticut Community Foundation, and send to them at 43 Field Street, Waterbury, CT 06702.
