

Planned Giving

There are a variety of plans which can be tailored for the unique needs of donors. Some of the more popular are:

- Bequests
- Charitable Remainder Trusts
- Living Trusts
- Life Insurance
- Life Estate Agreements

Some of these allow you to make a gift now, enjoy immediate annuity income, and earn tax benefits as well.

We recommend that you discuss your plans with a professional advisor; or, the Library would be happy to arrange a consultation.
