## Friends of the Southbury Public Library, Inc. Scholarship Guidelines

The Friends of the Southbury Public Library Inc. raises funds through direct donations, book sales and membership fees to support the Southbury Public Library and its programs and to foster its relations with the Southbury Community. We are awarding scholarship(s) up to \$1,000 to Southbury resident(s) who are graduating high school seniors planning to continue their education in the 2023/24 academic school year. There are 4 points of consideration: academics, extracurricular activities, a written essay and a candidate's library activities (an applicant's volunteer hours at the library and program participation). Be sure to list all library activities that may apply to you.

Completed scholarship applications (*with this addendum sheet attached*) should be turned in to the Reference Desk at the Southbury Public Library on or before Monday March 27, 2023.

Southbury Library card number (*required*) \_\_\_\_\_
